

Aadil Khan

Senior Web Developer

aadilkyusufzai@gmail.com | aadilk.com | Karachi, Pakistan

SUMMARY

Senior Web Developer with 6+ years building custom websites and interactive front ends. Focused on WordPress, Shopify, and GSAP animation, with delivery across Framer, Webflow, Squarespace, and Wix. Complements engineering with UI/UX and graphic design when projects need brand-to-build continuity.

SKILLS

Front-End: HTML5, CSS3, Sass, JavaScript, GSAP

CMS / Platforms: PHP, WordPress (custom themes), Shopify (Liquid), Framer, Webflow, Squarespace, Wix

Design: Figma, Illustrator, Photoshop, InDesign; After Effects, Premiere Pro (supporting)

EXPERIENCE

Aykays Agency

2020 – Present

Senior Web Developer

- Develop custom HTML/CSS/JavaScript front ends from Figma designs.
- Build custom WordPress themes and CMS setups, with and without page builders.
- Customize WordPress, Shopify, and Webflow themes; launch stores on WordPress, Squarespace, and Wix.
- Integrate JavaScript libraries and ship client projects in real time.
- Support delivery with UI/UX and brand assets when projects require end-to-end ownership.

Recycling Media

2020 – 2021

HTML & WordPress Intern

- Built marketing landing pages, HTML/CSS newsletters, and WordPress themes with Elementor.

Xavier Tech

2019 – 2021

Graphics & UI/UX Intern

- Designed landing pages, websites, dashboards, and brand materials - foundation for later front-end work.

EDUCATION

Intermediate, Pre-Engineering - Shipowners College

Matriculation, General Science - Programmer School
